

SATURDAY ORIENTEERING SERIES

2027 offers a fresh season of outdoor learning and fitness plus challenge, and confidence-building for students across Sydney.

The Saturday Orienteering Series offers schools a safe, well-organised, and highly engaging way for students to develop navigation skills, resilience, and independent decision-making. Each event is designed to be accessible for newcomers while providing meaningful progression for experienced athletes.

Why schools participate

- ➔ Students develop independent thinking and problem solving
- ➔ Builds spatial awareness and physical literacy
- ➔ Strengthens resilience
- ➔ Encourages healthy outdoor activity in a structured, supervised environment
- ➔ Suitable for year 5 upwards and all abilities — no prior experience required
- ➔ Ideal for co-curricular programs, gifted and talented extension, or wellbeing initiatives
- ➔ Students can attend individually, with friends, or as part of a school group

EXPLORE ~ DISCOVER ~ GROW

SOS is a simple way to get students outdoors, thinking independently, and building confidence.
